

THE CLOVERDALE CONNECTION

SHARING THE GOOD NEWS OF JESUS

FEBRUARY 2021 · ISSUE 2 · VOLUME 2

The last few weeks have given me pause to stop and think about life. We all have seen drastic changes over the past year...changes none of us ever dreamed would happen.

For some, these are very scary and uncertain times in earth's history. What if God is giving us an incredible opportunity? What if He is using this point in time to make us think outside the box, in how we evangelize? How we do church? How we look at life, in general?

Think about it...this could be the beginning of an unbelievable opportunity! All we have to do is step out in faith! Praise God! Let's challenge ourselves in 2021. Let's earnestly pray for the outpouring of the Holy Spirit in our lives.

Just imagine...if we have faith the size of a Mustard seed!

PASTOR'S CORNER

Historically, January and February are excitement filled times, at the Cloverdale church. We are usually engaged in a five-week evangelistic series.

Over the years, these series have proven to be very effective in bringing new souls into a saving relationship with Jesus. We usually see our ranks swell in size. Due to the COVID-19 virus, we were not able to conduct our usual evangelistic series.

Nevertheless, God reminds us that when our hands are tied...His hands are free! He never sleeps and is constantly working to save His people!

Over the past several weeks our church has seen several new faces each sabbath. Some of whom are engaged in Bible studies, in preparation for Baptism.

Friends of mine...we serve a mighty God. He is able to fulfill the mission of the church in spite of a virus.

Let me leave this encouragement with you from the book of Isaiah...

“Behold, the LORD'S hand is not shortened, that it cannot save; neither His ear heavy, that it cannot hear”.

Isaiah 59:1 ~ KJV
