PARENTING

GOSPEL PRINCIPLES
That Can Radically Change Your Family

STARTING JANUARY 25th

Parenting Workshop

Getting to the Heart of Parenting —A live video series with Paul Tripp, a former pastor and therapist, whose mission is “connecting the transforming power of Jesus Christ to everyday life.”

Are you feeling like you are spinning in circles? Tired? Perhaps single parenting? Overwhelmed? Disconnected? Desperate? Fighting? Arguing? Struggling and out of control?

Do you want to move toward parenting your children the way God parents you?

In this workshop, Paul Tripp will guide us into gospel parenting through the 14 principals of Gospel Parenting that he has gleaned straight from the Bible. Then we will discuss and talk through implementing these principles into your parenting and begin to have more peace in your parenting and a deeper, closer relationship with God and your children. Finally, we will learn practical tools and applications to help reach the heart of our children for eternity.

Just show up and be blessed! You won't want to miss this opportunity to grow closer to God and your children. Clear your calendars and join us once a month, starting on January 24th, on Thursday nights at Cloverdale SDA Church.

BIBLE STUDY & PRAYER

Tuesdays, 7:00 pm.

CLOVERDALE CHURCH CHOIR REHEARSAL:

Wednesdays, 7:00 pm.

VOLUNTEERS—REMINDER!!! The Idaho Conference has voted a NAD policy that all local volunteers be required to have background checks. We are already doing this with volunteers who work with children. This wider inclusion for all volunteers is an added measure for the safety of our children and, although requiring more involvement to maintain, is time and energy well spent. If you are renewing your screening (every three years), you may receive email reminders from ncsrisk directly (if you are over a year late, you may not receive these notices). If you have completed this process for another Adventist group (volunteering at BVAS or GSAA or another SDA Church in the NAD) you do not need to complete the process again. Either add Cloverdale to your

organizations, or let the church office know and we can ask the conference office to search for your name (the system does not automatically find you).

The Cloverdale church will cover all costs associated with the screenings. If you have not yet completed the screening process, please go to: www.ncsrisk.org/adventist and follow the instructions.

Cloverdale Backpack Ministry

This ministry is our way of spreading the love of Jesus to the homeless in our community. We distribute backpacks filled with necessities, cold water and snacks while we spread the gospel to the homeless in our streets. We partner with Healthcare for Homeless Veterans to provide our veterans with necessities and Blue Backpack Project to assist homeless victims of human trafficking.

For information on current items needed, please call Glenda at: (208) 509-8523 or email us at: cloverdalebackpackministry@gmail.com

My name is Josh Bevins, son of Ken and Cherie Bevins. I am a third-year student at Loma Linda University School of Dentistry.

Our school has a longstanding commitment to serving underserved communities, both locally and globally. This year, we are organizing a dental mission trip to Cusco, Peru, where we will provide much-needed dental care to those who lack access to basic dental services.

Cusco, a city nestled in the Andes Mountains, is home to many impoverished communities where individuals struggle to afford and access dental treatment. During our mission trip, which will take place from June 17-28, 2024, our team of volunteer dental students, faculty members, and licensed dentists will set up temporary clinics to provide services such as cleanings, fillings, extractions, and oral health education.

However, organizing a dental mission trip requires significant financial support. Expenses such as transportation, lodging, supplies, and equipment rental quickly add up. Your donation, no matter the size, will directly contribute to our ability to provide essential dental services to those in need. I am also happy to provide any additional information or answer any questions you may have about our project.

Your support would mean the world to me and to the individuals we aim to serve in Cusco. Together, we can make a meaningful difference in the lives of those who lack access to dental care. Donations are accepted directly online through Pure Charity (<https://www.purecharity.com/fundraisers/joshua-bevins-fundraiser-for-peru>) Donations also accepted via Venmo.

Thank you for considering my request. I sincerely appreciate your support and generosity.
